OXTED PARISH COUNCIL ELECTION JULY 26th

OXTED & LIMPSFIELD RESIDENTS GROUP

There are two vacancies on Oxted Parish Council which are coming up for election on July 26th. Both the vacancies are for Parish Councillors to represent the Oxted North area. The posts were previously held by Oxted & Limpsfield Residents Group Councillors elected in 2019. One of them, Anne Rivers, has very sadly passed away and the other, Matt Sapsford, is moving out of the area.

The Parish Council is involved in all local matters such as planning, highways, and community facilities. There are 12 Parish Councillors in all (6 representing Oxted North and 6 representing Oxted South). The 4 other OLRG Oxted North Councillors, Peter Damesick, Peter Giles, Reg Hull and Denize Wallace are continuing.

OLRG is aiming for a Parish Council that is independent and non-political, that represents the interests of residents, and whose only allegiance is to the community. We are putting up candidates for the two vacant posts. They are:

Jean INKER: Jean moved to Oxted 3 years ago and is finding it a great place to live. She would like to focus her energy and efforts into the local community. She has worked for 40 years as an HR (Human Resources) professional and currently does contract work in the education sector.

"I would very much like to be elected as a residents' Councillor and, if I am, you can rest assured that I will do my utmost to make Oxted the best possible place to live and to ensure we enjoy the wonderful facilities we have here in the community."

Neil RIVERS: Neil has lived in Oxted for almost 30 years. He was the head of science at Trinity School in Croydon for 21 years. He is standing for election because he is keen to work for residents' interests and to make a difference on issues that are important to them and to the area as a whole.

"I really like the idea of independent councillors who are rooted in the community and have only the community's interests at heart. My wife Anne was a Parish Councillor for the last 3 years and I feel that I am up to date with the main issues and priorities. I am keen to carry on the good work that Anne and the other OLRG Parish Councillors have started."

If there is anything you would like to discuss, you can email Jean at: jinker@btinternet.com or Neil at riversn@btinternet.com

REPRESENTING RESIDENTS. . .

PUTTING THE COMMUNITY FIRST

Some of the work that Oxted Parish Council (OPC) is doing:

- OPC has reserved funds towards the installation of CCTV.
- OPC has funding from the Community Infrastructure Levy (raised from new development) to award to qualifying projects. So far it has paid for a vehicle activated speed sign at the bottom of Wolfs Hill, awarded a sum of money towards the new Master Park Pavilion, contributed towards the refurbishment of the Barn Theatre, awarded funds which were matched by Tandridge District Council for the renewal of the courts at the Hurst Green Tennis Club, paid for various improvements and for books at Hurst Green School.
- OPC owns and runs the burial ground situated behind St Mary's Church. The burial ground committee meets every two months.
- The planning committee meets every three weeks to consider planning applications throughout its area and makes recommendations to Tandridge District Council.
- OPC has representatives on various outside bodies - East Surrey Transport, Master Park, Citizens Advice, United Churches, Surrey Rail Partnership.
- OPC allocates Grant Aid every year to a variety of small organisations and charities.
- OPC meets once a month where it discusses current issues and receives an update from Tandridge District and Surrey County Councillors.
